MEMORANDUM FOR: Chief, Logistics & Procurement Law Division/OGC
Chief, Procurement Management Staff/OL

[redacted] Administrative Law Division/OGC
O/COMPT
CAP/OP

FROM: [redacted] Legislation Division
Office of Congressional Affairs

SUBJECT: Reduction in Consulting Services Update

1. As I have previously informed you, the Senate Department of Defense Appropriations Bill contains a provision reducing the monies spent on consulting services to 85 percent of the amount expended during FY87. Once we were informed this section poses problems for the Agency, [redacted] of the Liaison Division/OCA and I met with staffers on the Senate Intelligence Committee to seek a way to remedy the problem. We were unsuccessful. The Senate staffers were not convinced that the impact on the Agency will be significant. Even accepting that it would be, they could not devise a way to amend the section without posing more problems for the Agency.

2. The House and Senate are now considering the bill during conference. I shall inform you of any new developments upon the termination of the conference.
